# **Safety Data Sheet**

#### Safety Data Sheet - LC Laboratories Revision Date: July 1, 2019

# **SECTION 1. IDENTIFICATION:**

Trade name: Vemurafenib, Free Base Product Number: <u>V-2800</u> Manufacturer/Supplier: LC Laboratories 165 New Boston Street Woburn, MA 01801 USA 1-781-937-0777 Fax: 1-781-938-5420

# SECTION 2. HAZARD(S) IDENTIFICATION:

Hazard Description: Harmful; pharmaceutically active substance Causes phototoxicity (skin irritation resulting from exposure to light) May cause skin cancer

Ingestion may cause arthralgia (joint pain), rash, pruritus (itch), fatigue, headache, nausea, anorexia (decreased appetite), diarrhea, alopecia (hair loss), folliculitis (inflammation of hair follicles), keratoacanthoma (hair follicle skin tumor), cutaneous squamous cell carcinoma, photosensitivity, hypersensitivity, Stevens-Johnson syndrome and toxic epidermal necrolysis (two life-threatening skin conditions in which cell death causes the epidermis to separate from the dermis), uveitis (inflammation of the middle layer of the eye), QT prolongation (abnormal heart rate), serious hypersensitivity reactions including anaphylaxis (immune system disorder), and hepatotoxicity causing liver demage)

liver damage)

Signal Word: Warning

**GHS Hazard Statements:** 

H302+312+332 - Harmful if swallowed, in contact with skin or if inhaled **GHS Precautionary Statements:** 

P2562 - Do not get in eyes, on skin or on clothing WARNING: For Laboratory Research Use Only

## SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS:

Chemical Name: *N*-[3-[[5-(4-chlorophenyl)-1*H*-pyrrolo[2,3-*b*]pyridin-3yl]carbonyl]-2,4-difluorophenyl]-1-propanesulfonamide Synonyms: PLX4032, R7204, RG7204, RO5185426, Zelboraf Hazardous Ingredient: Vemurafenib, Free Base CAS Registry Number: 918504-65-1 Molecular Weight: 489.92

# SECTION 4. FIRST-AID MEASURES:

After Inhalation: If inhaled, remove to fresh air; if breathing is difficult, give oxygen; if breathing stops, give artificial respiration

After skin contact: flush with copious amounts of water; remove contaminated clothing and shoes; call a physician

After eye contact: check for and remove contact lenses; flush with copious amounts of water; assure adequate flushing by separating the eyelids with fingers; call a physician

After swallowing: if swallowed, wash out mouth with copious amounts of water; call a physician

# SECTION 5. FIRE-FIGHTING MEASURES:

Suitable extinguishing agents: water spray, carbon dioxide, dry chemical powder or foam

Protective equipment: wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes

Unusual fire hazard: may emit toxic fumes under fire conditions such as carbon monoxide, etc.

# SECTION 6. ACCIDENTAL RELEASE MEASURES:

Person-related safety precautions: cordon off area of spill; wear self-contained breathing apparatus, protective clothing and heavy rubber gloves Measures for cleaning/collecting: absorb solutions with finely- powdered liquidbinding material (diatomite, universal binders); decontaminate surfaces and equipment by scrubbing with alcohol; dispose of contaminated material according to Section 13

# SECTION 7. HANDLING AND STORAGE:

Information for safe handling: avoid contact with skin, eyes and clothing; material may be an irritant Storage: store solid and solutions at -20 °C

# SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION:

Personal protective equipment as follows:

Breathing equipment: NIOSH/MSHA-approved respirator

Protection of hands: handle with Nitrile rubber gloves with minimum thickness of 0.11 mm (4.3 mil). This recommendation should not be interpreted as offering an approval for any specific use conditions. Please review this recommendation with a safety officer to evaluate if it is appropriate for the anticipated use.

Eye protection: chemical safety goggles

## **SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES:**

Form: crystalline solid; granular or powder Color: white to off-white Odor: none Melting point/Melting range: 262-275 °C Danger of explosion: none Solubility in / Miscibility with water: very poorly soluble in water; maximum solubility in plain water is estimated to be about 25-50 µM; buffers, serum, or other additives may increase or decrease the aqueous solubility Solvent content:

Organic solvents: soluble in DMSO at 100 mg/mL; very poorly soluble in ethanol

#### SECTION 10. STABILITY AND REACTIVITY:

Stability: avoid acids and bases

Thermal decomposition / conditions to be avoided: protect from light and heat Dangerous products of decomposition: thermal decomposition may produce toxic gases such as carbon monoxide and carbon dioxide, and nitrogen oxides

#### **SECTION 11. TOXICOLOGICAL INFORMATION:**

RTECS #: not available

Acute toxicity: oral toxicity (LD50): >2500 mg/kg (rat) - toxicity data from the Hoffmann-La Roche MSDS dated October 19, 2011 for Zelboraf Primary irritant effect:

On the skin: phototoxic, may cause skin irritation, may be harmful if absorbed through the skin

On the eye: may cause eye irritation

Inhalation: may be harmful if inhaled

Ingestion: harmful if swallowed

#### **SECTION 12. ECOLOGICAL INFORMATION:**

General notes: no data available Treat as potentially toxic if released into the environment

## **SECTION 13. DISPOSAL CONSIDERATIONS:**

Dispose of in accordance with prevailing country, federal, state and local regulations

## **SECTION 14. TRANSPORT INFORMATION:**

DOT:

Proper shipping name: none

Non-Hazardous for transport: this substance is considered to be non-hazardous

for transport IATA class: Proper shipping name: none Non-Hazardous for transport: this substance is considered to be non-hazardous for transport

## **SECTION 15. REGULATORY INFORMATION:**

Code letter and hazard designation of product: Xn: Harmful EU Risk And Safety phrases: S22: Do not breathe dust S24/25: Avoid contact with skin and eyes S26: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice S28: After contact with skin, wash immediately with plenty of water S36/37/39: Wear suitable protective clothing, gloves and eye/face protection S45: In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible) R22: Harmful if swallowed

# **SECTION 16. OTHER INFORMATION:**

The above information is believed to be correct based on our present knowledge but does not purport to be complete. For research use only by trained personnel. The burden of safe use of this material rests entirely with the user. LC Laboratories disclaims all liability Reviewed: July 1, 2019
